# BYD SEAGULL

Tide play comfortable cockpit

High safety long life blade battery

Intelligent network connection system

e-platform 3.0

Four airbags

High strength body structure

## SPECIFICATION

| Dimensions                    | Standard Range                     |
|-------------------------------|------------------------------------|
| Overall length (mm)           | 3,780                              |
| Overall width (mm)            | 1,715                              |
| Overall height (mm)           | 1,580                              |
| Wheelbase (mm)                | 2,500                              |
| Wheel track - front/rear (mm) | 1,500                              |
| Minimum turning radius(mm)    | 4.95                               |
| Ground clearance laden (mm)   | 120                                |
| Powertain                     |                                    |
| Motor type                    | Permanent magnet synchronous motor |
| Drivetrain                    | Front -wheel drive                 |
| Maximum power (kW)            | 55                                 |
| Maximum torque (N-m)          | 135                                |
| Performance                   |                                    |
| Acceleration 0-50km/h (s)     | 4.9                                |
| Driving range: NEDC (km)      | 300                                |
| Seating capacity              | 4                                  |
| Battery type                  | BYD Blade Battery                  |
| Battery capacity (kWh)        | 30                                 |
| Chassis                       |                                    |
| Front suspension              | Mac pherson strut                  |
| Rear suspension               | Torsion beam                       |
| Front brake                   | Ventilated disc                    |
| Rear brake                    | Disc                               |
| Wheel type                    | Alloy                              |
| Tyre size                     | 175/55 R16                         |
